DPD-1557-62  
7 March 1962

MEMORANDUM FOR: Chief, Signal Center, Communications Staff, DPD

SUBJECT : Handling and Control of IDEALIST Alert Messages  
to [ ]

25X1A

25X1A

1. A special channel is required for transmission of IDEALIST alert messages to [ ] The designator of the channel is COMINT [ ] and hereinafter alert messages will contain the following instruction (slug):

25X1A

25X1A

"HANDLE VIA TOP SECRET COMINT [ ] CHANNELS JOINTLY"

The codeword previously used is to be deleted.

2. The releasing officer will be the COMINT Officer, DPD or his deputy during normal working hours. Coordination will be by SMD/DPD. During hours other than normal working hours the Chief, Special Projects Branch, his deputy or IDEALIST Section staff will release for the COMINT Officer.

25X1A

3. COMINT [ ] messages will be prepared on Special Center Message Form 4, an original and two copies. The original and two copies are to be handcarried to the Signal Center at which time the Signal Center will log the message and copies and receive a signature from the designated recipient for each copy:

- a. Copy 1 - retained by Signal Center for transmission.
- b. Copy 2 - Control Center - to be placed on Mission clipboard and eventually filed in Mission folder.
- c. Copy 3 - Intelligence Staff - As in all COMINT traffic, a chrono copy will be filed by Intel as the Signal Center does not maintain file of COMINT traffic.

25X1A

APPROVED:

[ ]  
COMINT Officer, DPD

STANLEY W. BEERLI  
COLONEL USAF  
Acting Chief, DPD
